Sakarwala Capital Securities (Pvt) Ltd.

**INDEPENDENT AUDITORS' REPORT  
TO THE MEMBERS OF SAKARWALA CAPITAL SECURITIES (PRIVATE) LIMITED**

**Report on the Audit of the Financial Statements**

**Opinion**

We have audited the annexed financial statements of Sakarwala Capital Securities (Private) Limited (the Company), which comprise the statement of financial position as at June 30, 2025, and the statement of profit or loss, the statement of comprehensive income, the statement of changes in equity, the statement of cash flows for the year then ended, and notes to the financial statements, including material accounting policies, information and other explanatory information, and we state that we have obtained all the information and explanations which, to the best of our knowledge and belief, were necessary for the purposes of the audit.

In our opinion and to the best of our information and according to the explanations given to us, the statement of financial position, statement of profit or loss, the statement of comprehensive income, the statement of changes in equity and the statement of cash flows together with the notes forming part thereof conform with the accounting and reporting standards as applicable in Pakistan and give the information required by the Companies Act, 2017 (XIX of 2017), in the manner so required and respectively give a true and fair view of the state of the Company's affairs as at June 30, 2025 and of the profit other comprehensive income, the changes in equity and its cash flows for the year then ended.

**Basis for Opinion**

We conducted our audit in accordance with International Standards on Auditing (ISAs) as applicable in Pakistan. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants as adopted by the Institute of Chartered Accountants of Pakistan (the Code) and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**Information Other than the Financial Statements and Auditor's Report Thereon**

Management is responsible for the other information. The other information comprises the directors' report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Certified to be True Copy  
  
Sakarwala Capital Securities (Pvt) Ltd.

### **Responsibilities of Management and Board of Directors for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the accounting and reporting standards as applicable in Pakistan and the requirements of Companies Act, 2017(XIX of 2017) and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Board of directors are responsible for overseeing the Company's financial reporting process.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs as applicable in Pakistan will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs as applicable in Pakistan, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

*MJ*

We communicate with the board of directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

**Report on Other Legal and Regulatory Requirements**

Based on our audit, we further report that in our opinion:

- a) proper books of account have been kept by the Company as required by the Companies Act, 2017 (XIX of 2017);
- b) the statement of financial position, the statement of profit or loss, the statement of comprehensive income, the statement of changes in equity and the statement of cash flows together with the notes thereon have been drawn up in conformity with the Companies Act, 2017 (XIX of 2017) and are in agreement with the books of account and returns;
- c) investments made, expenditure incurred and guarantees extended during the year were for the purpose of the Company's business;
- d) no zakat was deductible at source under the Zakat and Ushr Ordinance, 1980.
- e) the Company was in compliance with the requirement of section 78 of the Securities Act 2015, and section 62 of the Futures Act, 2016, and relevant requirements of Securities Brokers (Licencing and Operations) Regulations, 2016 as at the date on which the financial statements were prepared.
- f) the Company was in compliance with the relevant requirements of Future Brokers (Licensing and Operations Regulations), 2018 as at the date on which the statement of financial statements was prepared.

The engagement partner on the audit resulting in this independent auditor's report is **Azeem H. Siddiqui – FCA.**

**SAKARWALA CAPITAL SECURITIES (PRIVATE) LIMITED**  
**NOTES TO THE FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED JUNE 30, 2025**

**1 Legal Status and Nature of Business**

Sakarwala Capital Securities (Private) Limited was incorporated under the repealed Companies Ordinance, 1984 ('the Ordinance') which has now been replaced with Companies Act, 2017 ('the Act'). The Company is a corporate member of Pakistan Stock Exchange Limited (PSX).

The Company is a TREC (Trading Right Entitlement Certificate) holder of Pakistan Stock Exchange Limited (Formerly: Karachi Stock Exchange Limited) and a member of Pakistan Mercantile Exchange Limited (PMEX). The Company is principally engaged in brokerage of shares, stocks, securities, commodities and other financial instruments, securities research, financial consultancy and underwriting.

The address of the company's offices are as follows:

**Registered address**

- Room No: 114, 3rd Floor, Stock Exchange Building, Stock Exchange Road, Karachi.

**Branch office**

- Room No: 130, 3rd Floor, Stock Exchange Building, Stock Exchange Road, Karachi.

- Room No: 605, 3rd Floor, Stock Exchange Building, Stock Exchange Road, Karachi.

- Room No: 606, 3rd Floor, Stock Exchange Building, Stock Exchange Road, Karachi.

**2 Basis of Preparation**

**2.1 Statement of Compliance**

These financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan for financial reporting. The accounting and reporting standards as applicable in Pakistan comprise of such International Financial Reporting Standards (IFRS Standards), issued by International Accounting Standard Board (IASB) as notified under Companies Act, 2017 (the "Act"); and provisions of and directives issued under the Companies Act, 2017. Where the provisions of and directives issued under the Companies Act, 2017 differ from the IFRS standard, the provisions of and directives issued under the Companies Act, 2017 have been followed.

**2.2 Basis of Measurement**

These financial statements have been prepared under historical cost convention except, for office building in property and equipment, which have been carried at revalued amount, investment property which have been carried at fair value, long term and short term investment in quoted equity securities which have been carried at their fair values.

**2.3 Functional and Presentation Currency**

These financial statements are presented in Pak Rupees, which is functional and presentation currency of the Company and have been rounded off to the nearest rupee.

**2.4 Use of Estimates and Judgements**

The preparation of financial statements in conformity with approved accounting standards requires management to make judgments, estimates and assumptions that affect the application of policies and reported amounts of assets and liabilities, income and expenses.

The estimates and associated assumptions are based on historical experience, industry trends, legal and technical pronouncements and various other factors that are believed to be reasonable under the circumstances, the result of which form the basis of making the judgments about carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised. Significant areas requiring the use of management estimates in these financial statements relate to the following:

- Property and equipment and depreciation (refer note 3.1 & 4)
- Intangible assets and amortization (note 3.3)
- Taxation (note 3.10)
- Provisions (note 3.5)
- Contingencies (note 18)

## 2.5 APPLICATION OF NEW STANDARDS, AMENDMENTS AND INTERPRETATIONS TO PUBLISHED APPROVED ACCOUNTING AND REPORTING STANDARDS

### 2.5.1 New accounting standards, amendments and IFRS interpretations that are effective for the year ended June 30, 2025

There were certain amendments to accounting and reporting standards that became applicable to the Company during the year. These do not have any material impact on the Company's financial reporting and, therefore, have not been disclosed in these financial statements.

### 2.5.2 New accounting standards, amendments and interpretations that are not yet effective

The following standards, amendments and interpretations are only effective for accounting periods, beginning on or after the date mentioned against each of them. These standards, interpretations and the amendments are either not relevant to the Company's operations or are not expected to have significant impact on the Company's financial statements other than certain additional disclosures.

| Standard or Interpretation                                                                                                   | Effective date<br>(annual periods<br>beginning on or<br>after) |
|------------------------------------------------------------------------------------------------------------------------------|----------------------------------------------------------------|
| IAS -21 The effects of changes in Foreign exchange rates (Amendments).                                                       | July 1, 2025                                                   |
| Amendments to IAS 7 Statement of Cash Flows' and IFRS 7 'Financial Instruments: Disclosures' - Supplier Finance Arrangements | January 1, 2026                                                |
| Annual Improvements to IFRS Accounting Standards -Volume 11                                                                  | 1-Jan-26                                                       |
| IFRS 17 Insurance Contracts                                                                                                  | January 1, 2026                                                |
| Amendment to IFRS 10 and 28 - Sale or Contribution of Assets between an Investor and its Associate or Joint Venture          | Deferred indefinitely                                          |

Other than the aforesaid amendments, the International Accounting Standards Board (IASB) has also issued the following standards which have not been adopted locally by the Securities and Exchange Commission of Pakistan:

IFRS 1 'First-time Adoption of International Financial Reporting Standards

IFRS 18 'Presentation and Disclosures in Financial Statements'

IFRS 19 'Subsidiaries without Public Accountability: Disclosures'

## 3 MATERIAL ACCOUNTING POLICY INFORMATION

The material accounting policies set out below have been applied consistently in the preparation of these financial statements.

### 3.1 Property and Equipment

Property and equipment (except for office premises) are stated at cost less accumulated depreciation and impairment losses, if any. Office premises are stated at revalued amount less accumulated depreciation and impairment loss, if any. Office building is stated at revalued amount and revaluation of office building will be conducted every 5 years. Cost includes expenditures that are directly attributable to the acquisition of the asset. Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits as associated with the item will flow to the Company and its cost can be reliably measured. Cost incurred to replace an item of property and equipment is capitalized and the asset so replaced is retired from use and its carrying amount is derecognised. Normal repairs and maintenance are charged to the statement of profit or loss during the period in which they are incurred.

Depreciation on all property and equipment is charged to statement of profit or loss using reducing balance method over the asset's useful life at the rates stated in Note no 4. The depreciation on property and equipment is charged full in the month of acquisition and no depreciation is charged in the month of disposal. Gains or losses arising on disposal of item of property and equipment are recognized in the statement of profit or loss. The residual values and useful lives of assets are reviewed and adjusted, if appropriate at each reporting date.

### 3.2 Investment Property

The company's accounting policy for valuation of investment properties is fair value model in accordance with IAS 40 Investment Property.

Valuation of investment property is carried out by qualified independent valuer. The fair value is determined on the basis of professional assessment of current prices in an active market for similar properties in the same location and condition.

### 3.3 Intangible Assets

An intangible asset is recognized as an asset if it is probable that the economic benefits attributable to the assets will flow to the company and cost of the asset can be measured reliably.

#### **Trading Rights Entitlement Certificate (TREC)**

It is stated at cost less impairment, if any. The carrying amount is reviewed at each reporting date to assess whether it is in excess of its recoverable amount and where the carrying amount exceeds estimated recoverable amount, it is written down to its recoverable amount.

#### **Software**

Costs directly associated with identifiable software that will have probable economic benefits exceeding costs beyond one year, are recognized as an intangible asset. Direct costs include the purchase costs of software and other directly attributable costs of preparing the software for its intended use.

Computer software is measured initially at cost and subsequently stated at cost less accumulated amortization and accumulated impairment losses, if any.

#### **Amortization**

Intangible assets with indefinite useful lives are not amortized, instead they are systematically tested for impairment at each reporting date. Intangible assets with finite useful lives are amortized at straight line basis over the useful life of the asset (at the rate specified in note 6 to these financial statements).

### 3.4 Trade Debts and Other Receivables

Trade debts and other receivables are recognized at fair value and subsequently measure at amortized cost less impairment losses, if any. Actual credit loss experience over past years is used to base the calculation of expected credit loss. Trade debts and other receivables considered irrecoverable are written off.

### 3.5 Provisions

A provision is recognised in the statement of financial position when the Company has a legal or constructive obligation as a result of past events, and it is probable that an outflow of resources will be required to settle the obligation and a reliable estimate of the amount of obligation can be made. The amount recognized as provision reflects the best estimate of the expenditure required to settle the obligation at the end of reporting period.

### 3.6 Trade and Other Payables

Trade and other payables are recognized initially at fair value plus directly attributable cost, if any and subsequently measured at amortized cost.

### 3.7 Revenue Recognition

Brokerage Commission, corporate finance income and other income are recognized as and when services are rendered.

Dividend income is recognized when right to receive dividend is established.

Income on continuous funding system transactions and bank deposits is recognized on a time proportionate basis that takes into account the effective yield.

Mark-up income from investment in margin financing system is calculated on outstanding balance at agreed rates and recorded in profit and loss account.

### 3.8 Cash and Cash Equivalents

Cash and cash equivalents comprise cash in hand, bank balances and highly liquid short term investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of change in value.

### 3.9 Expenses

All expenses are recognized in the profit and loss account on an accrual basis..

### 3.10 Taxation, final and minimum tax

#### Final and minimum tax

Computation of minimum tax chargeable under various sections of ITO 2001, provisions of such sections require its comparison with amount of tax attributable to income streams taxable at general rate of taxation, such minimum taxes are not fully outside the scope of IAS-12 and a certain portion of them falls in scope of IAS - 12. Based on this, the minimum taxes under ITO 2001 are hybrid taxes which comprise of a component within the scope of IAS - 12 and a component within the scope of IFRIC - 21/IAS-37.

As regards final taxes, its computation is based on revenue or other bases other than taxable income, therefore, final taxes fall under levy within the scope of IFRIC-21/IAS-37, hence treated and classified accordingly, as per the requirements of / and guidelines issued by ICAP.

In identifying and classifying each component of minimum tax being hybrid in nature, company designate the amount calculated on taxable income using the notified tax rate as an income tax within the scope of IAS - 12 "Income taxes" and recognize it as current income tax expense. Any excess over the amount designed as income tax, is recognized as a levy falling under the scope of IFRIC-21/IAS-37.

#### 3.10.1 Taxation

Income tax expense comprises current and deferred tax. Income tax expense is recognized in the statement of profit or loss except to the extent that it relates to item recognized directly in other comprehensive income in which case it is recognized in other comprehensive income.

##### Current

Provision for current taxation is based on taxable income at the enacted or substantively enacted rates of taxation after taking into account available tax credits and rebates, if any.

##### Deferred Tax

Deferred tax is recognised using the balance sheet liability method on all temporary differences between the carrying amount of assets and liabilities used for financial reporting purposes and the amounts used for taxation purposes. Deferred tax is measured at the rates that are expected to be applied to the temporary differences when they arise, based on the laws that have been enacted or substantively enacted by the reporting date.

The company recognizes deferred tax asset to the extent it is probable that taxable profits for the foreseeable future will be available against which the asset can be utilized. Deferred tax assets are reduced to the extent it is no longer probable that related tax benefit will be realized.

### 3.11 Provisions

A provision is recognized in the balance sheet when the Company has a legal or constructive obligation as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of obligation. However, provisions are reviewed at each balance sheet date and adjusted to reflect current best estimate.

### 3.12 Financial Instruments

#### Initial Recognition of Financial Assets

The Company classifies its financial assets in the following three categories:

- financial assets measured at amortized cost.
- fair value through other comprehensive income (FVOCI);
- fair value through profit or loss (FVTPL);

A financial asset is initially measured at fair value plus, for an item not at FVTPL, transaction costs that are directly attributable to its acquisition

41

#### **Financial assets measured at amortized cost**

A financial asset is measured at amortized cost if it is held within business model whose objective is to hold assets to collect contractual cash flows, and its contractual terms give rise on specified dates to cash flows that are solely payments of principal and interest on principal amount outstanding.

#### **Financial assets at FVOCI**

A financial asset is classified as at fair value through other comprehensive income when either:

- (a) it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and its contractual terms give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding; or
- (b) it is an investment in equity instrument which is designated as at fair value through other comprehensive income in accordance with the irrevocable election available to the Company to at initial recognition.

#### **Financial assets at FVTPL**

A financial asset shall be measured at fair value through profit or loss unless it is measured at amortised cost or at fair value through other comprehensive income, as aforesaid.

#### **Subsequent Measurement**

Financial assets measured at amortized cost.

These assets are subsequently measured at amortized cost (determined using the effective interest method) less accumulated impairment losses.

Interest / markup income, foreign exchange gains and losses and impairment losses arising from such financial assets are recognized in the statement of profit or loss.

Equity Investments at FVOCI

These are subsequently measured at fair value. Dividends are recognised as income in statement of profit or loss. Other net gains and losses are recognised in other comprehensive income and are never reclassified to profit or loss. On derecognition, gain and losses accumulated in capital reserves are reclassified to unappropriated profit.

Debt Investments at FVOCI

These are subsequently measured at fair value. Interest/markup income is calculated using effective interest rate method, and impairment are recognized in the statement of profit and loss account. Other net gains and losses are recognised in other comprehensive income. On derecognition, gain and losses accumulated in other comprehensive income /capital reserves are reclassified to statement of profit or loss.

Financial assets at FVTPL

These assets are subsequently measured at fair value. Net gains or losses arising from remeasurement of such financial assets as well as any interest income accruing thereon are recognized in statement of profit or loss.

#### **Non Derivative Financial Assets**

All non derivative financial assets are initially recognized on trade date i.e the date on which the company becomes party to respective contractual provisions. Non derivative financial assets comprise of loans and receivables that are financial assets with fixed or determinable payments that are not quoted in active markets. The company derecognizes the financial asset when the contractual rights to the cash flows from the asset expires or it transfer the right to receive the contractual cash flow in a transaction in which substantially all risk and rewards of ownership of the financial assets are transferred or it neither transferred nor retain substantially all of the risk and rewards of ownership and does not retain control over the transferred assets.

Certified to be True Copy  
Sakorwala Capital Securities (Pvt) Ltd.

## **Financial Liabilities**

Financial liabilities are classified as measured at amortized cost or 'at fair value through profit or loss' (FVTPL). A financial liability is classified as at FVTPL if it is classified as held for trading, it is a derivative or it is designated as such on initial recognition. Financial liabilities at FVTPL are measured at fair value and net gains and losses, including any interest expense, are recognized in the statement of profit and loss account. Other financial liabilities are carried at amortized cost using effective interest method.

Financial liabilities are initially recognized on the date on which the company becomes party to respective contractual provisions. Financial liabilities include markup bearing loans and trade and other payables.

Financial liabilities are derecognized when the contractual obligations are discharged or cancelled or have expired or when the financial liability's cash flows have been substantially modified.

## **Offsetting of financial assets and financial liabilities**

Financial assets and liabilities are offset and the net amount is reported in the financial statements only when the company has legally enforceable right to offset and the company intends to either settle on net basis, or to realise the asset and to settle the liability simultaneously. Income and expense items of such assets and liabilities are also offset and the net amount is reported in the financial statements only when permitted by accounting and reporting standards as applicable in Pakistan.

## **Impairment**

### **Financial Assets**

The Company recognizes loss allowance for Expected Credit Loss (ECL) on financial assets measured at amortized cost and FVTOCI at an amount equal to lifetime ECLs except for the financial assets in which there is no significant increase in credit risk since initial recognition or financial assets which are determined to have low credit risk at the reporting date, in which case 12 months' ECL is recorded. The following were either determined to have low or there was no increase in credit risk since initial recognition as at the reporting date:

- bank balances;
- employee receivables
- other short term receivables; and
- receivables from PMEX and NCCPL

Loss allowance for trade receivables are always measured at an amount equal to life time ECLs.

When determining whether the credit risk of financial asset has increased significantly since initial recognition and when estimating ECL's company considers reasonable and supportable information that it is relevant and available without undue cost or effort. This includes both qualitative and quantitative information and analysis, based in the company's historical experience and informed credit assessment and include forward looking information.

Life time ECLs are the ECLs that results from all possible default events over the expected life of a financial instrument. 12 months ECLs are portion of ECL that result from default events that are possible within 12 months after the reporting date.

ECLs are a probability weighted estimate of credit losses. Credit losses are measured at the present value of all cash shortfalls (i.e. the difference between cash flows due to the entity in accordance with the contract and cash flows that the Company expects to receive).

The gross carrying amount of a financial asset is written off when the Company has no reasonable expectation of recovering a financial asset in its entirety or a portion thereof.

## **De-recognition**

### **Financial assets**

The Company derecognizes financial assets only when the contractual rights to cash flows from the financial assets expire or when it transfers the financial assets and substantially all the associated risks and rewards of ownership to another entity. On derecognition of a financial asset measured at amortized cost, the difference between the asset's carrying value and the sum of the consideration received and receivable is recognized in profit or loss. In addition, on derecognition of an investment in a debt instrument classified as at FVTOCI, the cumulative gain or loss previously accumulated in the investments revaluation reserve is reclassified to profit or loss. In contrast, on derecognition of an

investment in equity instrument which the Company has elected on initial recognition to measure at FVTOCI, the cumulative gain or loss previously accumulated in the investments revaluation reserve is not reclassified to profit or loss, but is transferred to statement of changes in equity.

#### **Financial liabilities**

The Company derecognizes financial liabilities only when its obligations under the financial liabilities are discharged, cancelled or expired. The difference between the carrying amount of the financial liability derecognized and the consideration paid and payable, including any non cash assets transferred or liabilities assumed, is recognized in the statement of profit or loss and other comprehensive income.

#### **3.13 Changes in accounting policy**

During the year, the Company changed its accounting policy of recognizing the portion of income tax paid or payable for the year under the Ordinance, not based on the taxable profits of the Company, as a Levy under IFRIC-21/IAS-37 instead of the current income tax for the year under IAS-12. There is, however, no material impact on the financial statements of the prior year.

## 25.2 Financial risk management

The company primarily invests in marketable securities and are subject to varying degrees of risk.

The Board of Directors of the company has overall responsibility for the establishment and oversight of the company's risk management framework. The company has exposure to the following risks from its use of financial instruments:

Credit risk  
Liquidity risk  
Market risk  
Operational risk

### 25.2.1 Credit risk

Credit risk is the risk that one party to a financial instrument will fail to discharge an obligation and cause the other party to incur a financial loss, without taking in to account the fair value of any collateral. Credit risk arises from the inability of the issuers of the instruments, the relevant financial institutions or counter parties in case of placements or other arrangements to fulfil their obligations.

#### Exposure to Credit risk

Credit risk of the company arises principally from the trade debts, short term investments, loans and advances, deposits and other receivables. The carrying amount of financial assets represents the maximum credit exposure. The company allows to trade in future contracts after taking appropriate margins.

Credit risk is minimised due to the fact that the company invests only in high quality financial assets, all transactions are settled/paid for upon delivery. The company does not expect to incur material credit losses on its financial assets. The maximum exposure to credit risk at the reporting date is as follows:

|                                          | 2025               | 2024               |
|------------------------------------------|--------------------|--------------------|
|                                          | -----Rupees-----   |                    |
| Long term investment                     | -                  | 24,376,828         |
| Long term deposits                       | 4,010,000          | 4,010,000          |
| Trade debts - unsecured                  | 26,672,408         | 61,504,959         |

| Bank Balances                            | 331,892,860        | 372,942,325        |
|                                          | <u>399,735,656</u> | <u>499,647,615</u> |

### 25.2.3 Liquidity risk

Liquidity risk is the risk that the company will encounter difficulty in meeting its financial obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. Liquidity risk arises because of the possibility that the company could be required to pay its liabilities earlier than expected or difficulty in raising funds to meet commitments associated with financial liabilities as they fall due. Prudent liquidity risk management implies maintaining sufficient cash and marketable securities, the availability of funding to an adequate amount of committed credit facilities and the ability to close out market positions due to dynamic nature of business.

### 25.2.3 Market risk

Market risk is the risk that the value of the financial instrument may fluctuate as a result of changes in market interest rates or the market price due to change in credit rating of the issuer or the instrument, management manages market risk by monitoring exposure on marketable securities by following the internal risk management and investment policies and guidelines.

Certified to be True Copy  
Sakarwala Capital Securities (Pvt) Ltd.

Market risk comprises of three types of risk: currency risk, interest rate risk and other price risk.

#### Currency risk

Foreign currency risk arises mainly where receivables and payables exist due to transactions in foreign currencies. Currently there is no currency risk as all financial assets and liabilities are in PKR.

#### Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market risk. The company is not exposed to interest rate risk as there is no interest based liability or asset.

| Bank Balances in Profit & Loss Sharing Accounts     | <u>326,693,566</u> | <u>372,797,856</u> |

#### Other price risk

Other price risk is the risk that fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices (other than those arising from interest rate risk or currency risk) whether those changes are caused by factors specific to the individual financial instrument or its issuer, or factor affecting all or similar financial instrument traded in the market.

The company's listed securities are susceptible to market price risk arising from uncertainties about the future value of investment securities. The company manages the equity price through diversification and all instruments are made through surplus funds.

The company is exposed to other price risk on investment in listed shares. The company manages the risk through portfolio diversification, as per recommendation of Investment committee of the company. The committee regularly monitors the performance of investees and assess the financial performance on on-going basis.

The 10 percent increase/(decrease) in market value of these instruments with all other variables held constant impact on profit and loss account of the company is as follows:

|                      | Before Tax        |                   |

## **STATEMENT BY CHIEF EXECUTIVE OFFICER**

I, **Ghulam Mujtaba Sakarwala**, Chief Executive Officer of **Sakarwala Capital Securities (Private) Limited**, being a Futures Broker licensed by the Securities and Exchange Commission of Pakistan (SECP), hereby certify that:

- The Company has complied with the requirements of the *Futures Broker (Licensing and Operations) Regulations, 2018* and other applicable rules, regulations, circulars, directives, and guidelines issued by SECP and the Pakistan Mercantile Exchange Limited (PMEX) during the year ended June 30, 2025.
- The Company has maintained proper books of accounts, adequate systems of internal control, risk management, and compliance to safeguard client assets, ensure integrity of operations, and meet regulatory obligations.
- Client funds and margin deposits have been maintained in segregated bank accounts in accordance with the prescribed regulations, and no misuse of client money or assets has occurred.
- The Company has established and implemented policies and procedures for Anti-Money Laundering (AML) / Countering Financing of Terrorism (CFT) and internal compliance monitoring, consistent with applicable laws.
- The financial statements of the Company for the year ended June 30, 2025 present fairly the financial position and performance of the Company and have been prepared in accordance with approved accounting standards as applicable in Pakistan.
- There are no material departures from the regulatory framework that would adversely affect the Company's ability to meet its obligations as a licensed Futures Broker.

I further confirm that the Board of Directors and senior management remain committed to high standards of corporate governance, regulatory compliance, and investor protection.

**Ghulam Mujtaba Sakarwala**

## **STATEMENT OF COMPLIANCE WITH CODE OF CORPORATE GOVERNANCE FOR FUTURES BROKER (LICENSING AND OPERATIONS) REGULATION 2018**

The Company has adopted and implemented the Code of Conduct and corporate governance framework applicable to Futures Brokers. The Board of Directors has ensured that:

- The Company conducts its business with integrity, due skill, care, and diligence and in a manner that protects client interests and market integrity.
- Confidentiality of client information is maintained and no conflict of interest exists between the Company, its directors, employees, and clients.
- The Company, its directors, and employees have not engaged in any activity that could be considered market manipulation, insider trading, or misuse of client information.
- Policies and procedures are in place to ensure fair treatment of clients, timely reporting, transparent disclosure, and compliance with all applicable AML/CFT requirements.
- The Company has maintained adequate financial soundness, capital adequacy, and liquid capital in accordance with the prescribed regulations.
- Systems are in place for the monitoring of internal controls, risk management, and regulatory compliance.

Based on the review of compliance and controls, the Board and management confirm that the Company has fully complied with the *Code of Conduct and Futures Broker (Licensing and Operations) Regulations, 2018* for the year ended June 30, 2025.
